Airline Reservation System: full sample run

Final screen layout with the four airlines. Real output from the program, one session start to finish.

Everything after a prompt (like **Choice: 2**) is what was typed. Sample accounts: passenger01, staff01, admin. Dates are based on the day the run was made (Oct 17, 2026), so your dates will be different.

The four airlines

Airline	Code	Kind	Plane	Free checked bag	Change fee	Pets
Mateo Airways	MW	Premium full-service	A350	20 kg	Half the cabin's fee	Yes
Air Abesamis	AB	Full-service	A321	20 kg	The cabin's fee	Yes
TengoFly	TF	Low-cost	A321neo (Economy only)	None	1.5x the cabin's fee	Yes
PAM Aviation	PM	Regional island-hopper	ATR 72	None, bags up to 20 kg	The cabin's fee	No

What this run covers, in order

1. Main menu: wrong choices (7, abc)
2. Flight Status (no login): bad format, unknown airline code, not found, Delayed (Mateo Airways), Cancelled (Air Abesamis), Scheduled with check-in open
3. Create Account: short username, taken username, weak passwords, mismatch, bad name, answer N, then create for real
4. Login: wrong password, Admin on the passenger Login (refused), then success
5. Passenger: empty My Bookings, search with no flights (nearby dates from all airlines), search filtered to one airline, search all airlines (Manila to Cebu: TengoFly, Air Abesamis, Mateo Airways), typing cancel mid-booking
6. Booking on Mateo Airways (A350) in Premium Economy: too many travelers, Senior discount, infant, seat errors, 20 kg bag included and a 24 kg bag paying only the difference, pet over 10 kg, fare breakdown, card errors, e-ticket saved as .txt
7. Manage Booking: wrong last name, view e-ticket, change seat (seat taken, then fine), Change Flight with no other Mateo Airways flight, baggage upgrade with GCash, check-in not open yet
8. Check In from the menu with boarding passes, checking in again, Cancel Booking with refund, Change Password (wrong current, same password, success)
9. Account lockout after 5 wrong passwords, then typing cancel
10. Staff Portal: passenger account refused, Staff login, walk-in on TengoFly (Economy only, every bag paid) paid by PayPal
11. Staff: Change Flight on TengoFly (1.5x change fee + fare difference, GCash), free Business change on Mateo Airways, check-in not open
12. Admin: wrong password, Add Flight for PAM Aviation with every error (wrong airline code, taken number, bad date, time, duration, fare), view/update/reschedule/re-price/cancel/remove flights, user management, Ticketing Tools, all bookings, passenger list, revenue report with a total per airline, exit
